OUR MISSION

To develop academic confidence in local youth -- particularly Stamford Peace student-athletes and families eligible for free and reduced-price lunch -- through high-quality, subsidized, peer-to-peer tutoring, mentoring, academic advocacy, and enrichment activities.

WHAT OUR PARTICIPANTS SAY

"Thank you so much for the help that you're providing my son during tutoring. I appreciate the extra help from your students. It is truly helping my son to have a successful year."

—Cinthy, Parent of 7th Grader

"I'm very thankful for this opportunity, and I love working at Beyond Limits. Seeing friendly faces, getting to help students, learning new skills, having a flexible schedule...what more can I ask for?"

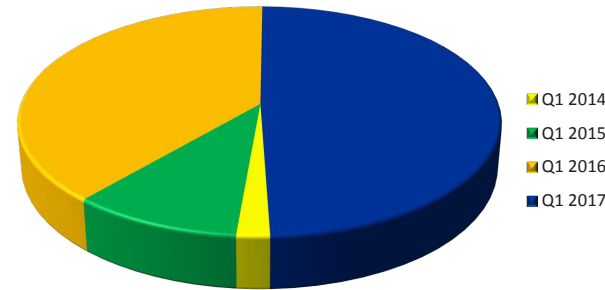

— Jarrod, Beyond Limits Tutor

"Claire significantly improved her achievement during the second half of the trimester including a perfect score on the last unit test... Beyond Limits is a wonderful resource that we will continue to utilize and not let our children reach that level of frustration again. Beyond Limits has been a blessing."

— Kathleen, Parent of a 10th Grader

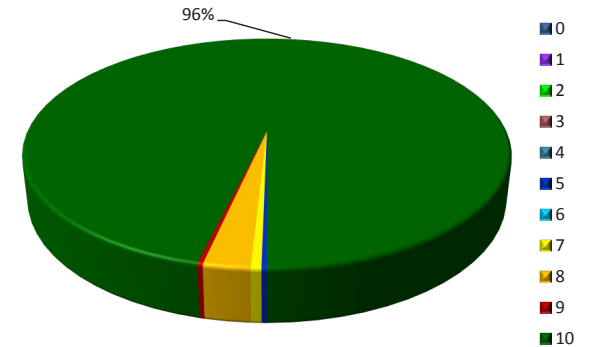

"I love Beyond Limits. It's the best place to learn. I like to go there as many times as I can. If I could go there every day. All the tutors are nice, especially Matt. They have helped me a lot. I had a C in math and now I have an A! I might even make honor roll!"

—John, 8th Grader
